

INTRODUCING THE HOT ROD BUMPER

BY TUBE FABRICATION & COLOR

TFC provides stock bumpers in three varieties based upon your needs as a race team:

- Tubular parts bent to the specifications for modified series cars. This gives your team the ability to weld your own bumpers.
- Bent and welded raw bumpers for your immediate needs. In stock and ready to go.
- Bent-Welded-Powder Coated bumpers for your team to put on in a moment's notice. No messin' around when it comes to front or rear bumpers.

When you think of **Racing Parts** - think TFC!
To order call us at 920-685-3020

Pricing on front bumpers:

- In Parts \$54.99
- Welded, No Paint \$64.99
- Welded and Painted \$84.99

Pricing on back bumpers:

- In Parts \$38.99
- Welded, No Paint \$64.99
- Welded and Painted \$84.99

Also, for your bending needs call TFC! Do you need parts powder coated to your team colors? TFC is able to handle it. Located in the "heart" of raceland Wisconsin - right off of Highway 21 in Omro, Wisconsin (7 miles west of Oshkosh).
